ABOUT ME

Hello, my name is Syahrhun Fathan Hidayah, and I am a recent graduate from Tadulako University with a degree in Informatics Engineering, achieving a GPA of 3.73. I have skills in developing both web and mobile applications, with a primary focus on mobile development. In addition, I have experience in building backend APIs.

I am proficient in several programming languages, including JavaScript, PHP, and Python. As for frameworks, I am familiar with Express.js, React Native, Next.js, and Flask. I am always eager to learn more and contribute to innovative technology projects.
